

A modern living room interior featuring a large window with a black frame that looks out onto a lush green landscape. In the foreground, a long, low wooden coffee table holds a small vase with dried flowers and a brass cube. To the right, a dark blue sectional sofa is adorned with several pillows in shades of orange, brown, and grey. On the left, two wicker chairs with black metal frames and light-colored cushions are positioned near a small round side table. A large, irregularly shaped rug in a light brown tone is on the floor. The overall atmosphere is calm and sophisticated.
