

A modern living room interior featuring a large window with a black frame that looks out onto a green, leafy outdoor space. In the foreground, a long, light-colored wooden coffee table holds a small vase with dried flowers and a brass cube. To the left, two wicker chairs with black metal frames and light-colored cushions sit on a brown, irregularly shaped rug. To the right, a dark blue sectional sofa is adorned with several pillows in shades of orange, brown, and grey. A potted plant is visible on the far left, and another is on the right side of the sofa. The overall atmosphere is calm and contemporary.
